Hello Everyone!

We had a great kid’s Halloween party. The kids really enjoyed it, there were plenty of games and treats! Thanks to all of you for your donations and your help. Great job, Jen, the kids loved the party!

We had some bad news the first part of November, our fellow brother Aaron Johnson passed away from a heart attack he had served us our drinks and sodas for years. He will be missed. Our prayers go out to his family.

We had our Marine Corps birthday last week, not many of us left, but we made up for it with our Marine Corps hymn. The next day was our Veteran’s day, we did our ceremony inside and then the Boy Scouts took us outside for our flag retirement, hope everyone that attended enjoyed it!

Hope to see you all around! Have a safe holiday season!

Message from Prelate Leonard Chapman

I would like to apologize to all our members who may be sick or unable to visit the lodge. It’s my job as Lodge Prelate to contact all of you, but will do better next year when I can get a list of all our members. God bless all who are in need, and may all our members have a Merry Christmas this year. Merry Christmas to our children at Mooseheart and seniors at Moosehaven.

The focus of this program is on the recognition and support of Moose veterans with an emphasis on their ongoing service to their fraternal units and communities through the Moose. The program’s tag phrase captures this well: “Moose Members Serving Then . . . and NOW!” This approach simultaneously honors our veterans while also highlighting the Fraternity’s commitment to community service.
